Dear Hanover Soccer Club family,

Greetings! It is with immeasurable excitement and pride that I announce that, thanks to our HSC family fundraising efforts, our many local business sponsors and generous grants from Warehime Foundation, Rice Family Foundation and Conewago Enterprises, we have the funding to successfully complete our field development project!

The first and longest-running phase of the project were the approvals needed from the township and county entities to ensure we could use the property as we intend and do so safely accounting for stormwater management and access location.

The second phase was to convert a land parcel used primarily as farmland into a quality grass field fit for our athletes.

The third and final phase, a 185-space parking lot with an entrance from Kindig Lane to allow for safe and easy access to our field area as well as a fence installed along Oxford Avenue, is set to begin this Spring and be completed over the Summer.

HSC Together Again – Better Than Ever!

All plans are to bring our soccer teams together again for the Fall 2024 season! We know it is a great experience when everyone can play at the same location and enjoy a night at the fields as a family. We cannot wait to be together again and be better than ever!

Clarks field play area is 16 acres of beautiful grass. We intend to have all players from Little Kickers to our oldest teams play at the new home fields.

Once this Spring 2024 season is complete, we will work with our friends at Outhouse Storage and Sheds who, (along with Utz Brands in the initial field move), have relocated us to our many play sites around town! This includes moving our snack shack, equipment sheds and Casey's Cleats shed to their new home, too! We are so grateful to them for their assistance in this way and for the HSC volunteers who continually show up for the moves.

We have been so fortunate in our friendships. Businesses, townships and boroughs who are our supportive neighbors offering space to play, Conewago Valley Soccer Club who have been there for us as partners in this sport! We are ever grateful and plan to pay it all forward by continuing to provide a fun, healthy and competitive sport outlet to the greater Hanover area youth through the great game of soccer.
